

BOYSETSFIRE: Neuer alter Bassist

BOYSETSFIRE haben nach dem Ausstieg von Drummer Matt und Bassist Marc Krupanski die Rückkehr des alten Bassisten Robert Ehrenbrand verkündet. Allerdings kann der Münchner den zeitlichen Anforderungen der geplanten Touren nicht vollständig gerecht werden und so hat man, neben dem neuen Drummer, gleich einen zweiten Bassisten

verpflichtet.

2013 wird es aber nicht nur Shows in Europa geben (**Termine hier**, sondern auch ein neues Album der amerikanischen Post-Hardcoreler geben.

Im Original liest sich das so:

Life is about change. You have the choice to embrace that change and use it to fuel personal growth or you rail against change, bellowing out your frustration, becoming stagnant and finally dying. We have chosen to embrace change. We have a new drummer.

Dan Pelic from New Jersey is now playing drums for BoySetsFire. Dan impressed us with his passion and enthusiasm. We are really happy to welcome Dan to the family.

We have new bassists. (what?)

The big news is Robert Ehrenbrand is back playing bass. We missed him and wanted him back. Long time friend Chris Rakus is also playing bass for us. Since both are very busy with previous commitments each will be playing live when time permits. This will let us play shows in both the US, Europe and the rest of the world. Both will contribute to writing and recording our next full-length. Which is what we are doing. We are writing and recording.

Thank you to everyone who has supported us throughout the years. We are excited about our future.
